

Dr. Kathleen P. King Transformation Education, LLC

WORKSHOP AND KEYNOTE TITLES

DR. KING AS WORKSHOP AND KEYNOTE SPEAKER

Based on her record of interactive, motivating and informative workshops. Dr. King is widely requested as a national and international speaker. Since 2010 alone, she spoke in Canada, China, Ireland, Mexico, the Caribbean, and US Virgin Islands as well as all across the USA.

Dr. Kathleen King is an award-winning author of 20+ books and over 175 published articles and research papers. She is a popular international keynote speaker, professor of education at University of Central Florida's College of Education and Human Performance in Orlando, Florida and president of Transformation Education, LLC. She also serves clients as a certified professional life coach. Her major areas of research include faculty development, adult learning, digital media, transformative learning, writing, and instructional technology.

Her books and web-based audio materials are used as course materials in universities worldwide and have a large following. She has led the development of many local and global innovative educational projects reaching over 6.4 million learners through technology.

WHAT PEOPLE ARE SAYING

- *Dynamic, funny and right on target with what we need to hear. Every faculty member should be here!—SR*
- *Not only did she talk about transformation, she created a transformative experience for us! Thank you for changing our lives and helping us develop a new vision. -MA*
- *Dr. King, your insights and openness are gifts. Please keep opening educators' minds to the necessity and ease of digital tools and personal life choices. -LT*
- *Dr. King gave an excellent presentation and gave a lot of valuable information. I will definitely take this information back to my campus for faculty and will use info in my classroom and for personal use. -CAP Conference Evaluation*
